FOUNDATION OF NJ
is conducting

THE SUMMER BAT COUNT

Protect Watchung's Ecosystem: Report Potential Bat Roosting Sites

Bats play a vital role in the Watchung environment, but their population is in jeopardy. If you spot a potential bat roosting location, please reach out for assistance.

To report any sightings or concerns, please contact:
Denise Soppas at Dsoppas@aol.com or
environmental@watchungnj.gov or
call Borough Hall at 908-756-0080
